

"I live in Dorset"

Tell us what YOU think and win £50 of art supplies!

Open to ages 0 - 18 years

**Dorset would be the
best place in the world
to grow up in if...?**

Imagine your Dorset in the future... what do you imagine should be there to make your life better?

Think about small things that would help, or even big ambitious things.

We want to hear about real-life things such as people and places, not completely imaginary things (sorry, no space aliens or time travel!)

You can choose creative ways to respond:

- video clips
- drawings,
- audio (songs, raps, spoken-word etc.)
- 3D models that you can take a picture of
- writing
- dance or movement
- a mixture of art forms

Enter by 31 July 2020 and do tell us your age. There are prizes for three winners drawn at random from all participants. We plan to display your amazing work online, at events, and in public spaces all over Dorset!
