

Westfield Arts College

21 October 2021

Dear Parents and Carers

Thank you for your continued support with Covid-19 home testing. We know how important it is for you to be able to send your children to school.

If your child is 11 or over you should continue to test them, or encourage them to test themselves, twice a week and [report](#) results throughout the October half-term holiday and take a test before returning to school on Monday 1st November. All results should be reported, even if your result is negative or void.

Your child will have received testing kits from us and brought them home. Testing is free of charge. If you do still require more home testing kits to continue testing over half term, you can also order more [online](#) through gov.uk or collect from your local pharmacy.

By testing your child twice a week over half term, you will help us to reduce transmission of Coronavirus, keep your child in school and help Westfield to remain open and minimise any further disruption.

Thank you for your support. We wish you an enjoyable half term break.

Yours sincerely

Seán Kretz
